NEWPORT BERMUDA RACE® 2012
H. IRVING PRATT TROPHY
THREE YACHT TEAM ENTRY FORM

Due: 0900 Fri.
June 15, 2012

The Pratt Trophy was given by friends in memory of H. Irving Pratt who took a serious and sustained interest in the problem of handicapping offshore yachts for racing. He had been Chairman of the CCA Technical Committee, Commodore of the New York Yacht Club and sponsor of the Pratt Ocean Racing Project at the Massachusetts Institute of Technology.

Entry is open to any number of self-selected three-yacht teams sailing the 2012 Newport Bermuda Race® in the St. David's Lighthouse Division. The winning team is that with the lowest cumulative corrected time under ORR. No yacht may be a member of more than one team. Prizes will be awarded under the ORR rule.

Individual trophies will be awarded to each member of the winning team. These "keeper" awards are unique: mounted and engraved plaques showing the name of the respective individual winner, the hull lines of that yacht and an appropriate description. Plaques are made up using each winning vessel's line drawings on file at US Sailing.

Entry is by written notice delivered on this document (or a facsimile) no later than 0900, Friday, June 15, 2012. Entry must include the name of the team, names of the three participating yachts and dated signature of one of the Captains. Please Print! Entry may also be made in the On-Line Registration System on the Special Trophies Information Form.
