**Commanders' Weather Corporation  
2010 Newport to Bermuda Race Package**

**\$450 total package includes the following:**

- 1) Tues, June 15 –Weather outlook for the entire race, sent to your email, including the latest Gulf Stream Analysis, surface weather maps going out 8 days, and routing suggestions
- 2) Wed, June 16 - Weather outlook for the entire race, surface weather maps going out 8 days, and routing suggestions, sent to your email
- 3) Thurs, June 17 - Weather outlook for the entire race, surface weather maps going out 8 days, and routing suggestions, sent to your email
- 4) Friday, June 18 – Final weather package that will give the weather for the race, the final Gulf Stream from Dr. Walstad, surface weather maps, and routing. This will be given on-site, in person.

There will be a general briefing Friday morning at the Newport Yachting Center Marina between 7:30am-8:30am and the final forecast and Gulf Stream will be handed out there. The briefing will be conducted by Ken Campbell, George Caras, and Dr. Len Walstad, followed by a question and answer period. Coffee and pastries will be provided.

**Additional options:**

GFS ½ degree resolution GRIB files - \$40 each, available June 15-18

Gulf Stream GRIB files - \$40 each, available June 15 and 18

Forecast and delivery back from Bermuda, including weather maps - \$75.00 - this pricing for our race subscribers only!
